TABLE OF CONTENT

Manual 1 – Monogastrics (Poultry, Rabbits and Swine) Practicals

Practical Class 1: Identificatiojn of the Body Parts of the Chicken	13
Practical Class 2: Some Terms in the Poultry Industry	16
Practical Class 3: Classification of Major Breeds of Chicken	18
Practical Class 4: Identification of Modern Strains of Chicken	22
Practical Class 5: Handling and Restraining Chicken	25
Practical Class 6: Management of Ecto-parasites	27
Practical Class 7: Hygiene and Cleanliness	30
Practical Class 8: Control of Vice-Habits I	31
Practical Class 9: Control of Vice-Habits II	35
Practical Class 10: Control of Vice-Habits III	41
Practical Class 11: Enhancing Chicken Performance 1	43
Practical Class 12: Estimating Chicken Body Weight and Flock Uniformity	45
Practical Class 13: Homogenous Mixing of Flock in a deep litter House	47
Practical Class 14: Preventing Smouldering of Chickens on the Deep Litter	49
Practical Class 15: Enhancing Chicken Performance 2	50
Practical Class 16: Rearing Skills 1	51
Practical Class 17: Rearing Skills 2	52
Practical Class 18: Management Skills 1	55
Practical Class 19: Management Skills 2	57
Practical Class 20: Management Skills 3	59
Practical Class 21: Intricate Management Skills 1	61
Practical Class 22: Intricate Management Skills 2	62
Practical Class 23: Rodent Control	63
Supplement 1: Biosecurity and Health Care of Farm Animals	65
Supplement 2: Simple Biosecurity Measures that can be adopted on Farms and Around Livestock	75
Practical Class 24: Rabbits	79
Practical Class 25: Technique for Restraining Rabbit and Administering Injection	84
Practical Class 26: Pigs	88
Practical Class 27: Handling Pigs for Research Purpose	91
Practical Class 28: Handling for Lifting/Picking-up Pigs	95
Practical Class 29: Socialization of Pigs	100
Practical Class 30: Managing Stress during Handling of Pigs	102

Manual 2 – Mini-livestock Practicals

Practical Class 31: Guinea Pigs	105
Practical Class 32: Grasscutters (Cane Rats)	107

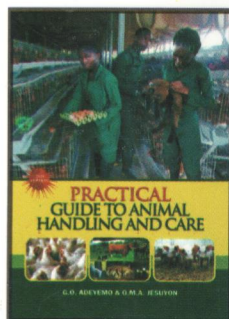

Manual 3 – Ruminant (Cattle, Sheep and Goats) Practicals

Practical Class 33: Identification of Body parts of Cattle, Sheep and Goats	110
Practical Class 34: Breed Identification of Cattle, Sheep and Goats	112
Practical Class 35: Ruminant Animal Handling	122
Practical Class 36: Animal Identification	127
Practical Class 37: Dentition and Age determination	129
Practical Class 38: Deworming/Drenching	131
Practical Class 39: External parasite Control	133
Practical Class 40: Hoof Trimming	135
Practical Class 41: Castration	137
Practical Class 42: Dehorning/Disbudding	139
Practical Class 43: Hand Milking	141
Practical Class 44: Range Fencing	142
Description of Condition Score of Cattle	145
Description of Condition Score of Sheep and Goats	145
References	146

About the Book

Exposure to excellent practicals in the field of Animal Husbandry is paramount for students of Agriculture in a growing economy that needs expertise to ensure the full expression of the genetic potentials of animals to feed the teeming world population.

Practical knowledge of the techniques for handling, Identification and care of livestock is outlined in this portable publication not only for teachers and students but also for livestock farmers who would find this handbook very useful for teaching, practical training and farming in poultry, rabbits, swine, mini-livestock, small and large ruminant production.

About the Authors

Dr. Gbemiga O. Adeyemo is a Senior Lecturer at the Department of Animal Science, Faculty of Agriculture and Forestry, University of Ibadan where he has been involved in teaching, research and community service since July, 1998. He is a MASHAV Scholar (Advance Training in Poultry Science and Nutrition) by the Faculty of Agriculture and Food Science, University of Jerusalem, Rehovot, Israel.

He was the Poultry breeding stock Officer of ECWA Rural Development, Bukuru, Jos, Plateau State, Nigeria between 1992 and 1993 before returning for his postgraduate studies. He is a registered member of Nigerian Institute of Animal Science (NIAS). He was a Visiting Scholar to the Department of Animal Sciences, Purdue University, West Lafayette, Indiana, USA, in 2006.
