

FUOYE Journal of Pure and Applied Sciences (FJPAS)

VOLUME 1(1) September 2016

**A Journal of the Faculty of Science
Federal University Oye-Ekiti, Ekiti State, Nigeria.**

Note: One issue of the journal will be published yearly (September). This may be extended to two (March and September) as time goes on. All manuscripts must be prepared according to the format on the university website www.fuoye.edu.ng and submitted to fjpas.science@fuoye.edu.ng or ffjpas@gmail.com.

Aim and objectives

FJPAS is an annual, peer reviewed International journal that publishes both in electronic and hardcopy format. The journal aims at providing the academic and research community a medium for promoting, disseminating and presenting cutting edge researches in the field of Pure and Applied Sciences. The journal publishes original research papers in all aspects of Biological, Chemical, Mathematical, Physical/Geo-Physical Sciences and Information Technology/Computer Science as well as related topics. Articles and short communications in the areas mentioned will also be considered for publication especially if the articles give a new insight into the area of specialization.
